## EXPERIENCE

**Reels Editor** | 8848 Momo House | Sep 2025 – Oct 2025

- Edited engaging short-form content tailored for social media platforms.
- Added B-rolls, text animations, captions, and smooth transitions for professional delivery.
- Ensured visual consistency, pacing, and storytelling that aligned with brand identity.

**Freelance Video Editor** | Various Clients | 2024 – Present

- Created short-form and long-form videos with engaging hooks, captions, animations, and sound design tailored to client needs.
- Produced long-form projects involving narrative editing, sound design, and color grading.
- Adapted editing style to match each client's brand, tone, and audience.

**Video Editor** | TNC Unscripted | Nov 2024 – Jul 2025

- Edited diverse video formats including:
  - o Yathartha – Field interviews highlighting social issues in Nepal.
  - o Debates – Structured discussions between two parties on key topics.
  - o Townhall – Conversation-based shows in podcast style.
  - o A Day in Life – Documentary-style features showcasing professionals' daily lives.
  - o On the Road – Street interviews capturing public opinion.
- Responsible for narrative editing, sound design, background music, motion graphics, and color grading.

**Short-form Video Editor** | The Nepali Comment | Aug 2024 – Present

- Specialized in editing short-form videos designed for maximum engagement.
- Applied strong visual hooks, motion graphics, captions, SFX, and background music.
- Optimized content for TikTok, Instagram Reels, and YouTube Shorts.

## ABOUT ME

I am passionate about producing high-quality video content that is both visually stunning and emotionally engaging, with a focus on storytelling that connects with viewers. I have experience editing both short-form and long-form content, for a range of clients, delivering engaging and polished videos tailored to diverse audiences.
